Re: Statement of Endorsement for Pinellas' Environmental Protection

Dear Tim,

On behalf of the Pinellas County Democratic Environmental Caucus of Florida, I am writing to formally express our profound appreciation for your steadfast commitment to safeguarding our irreplaceable and ecologically vital natural resources.

Your dedication to environmental stewardship demonstrates a clarity of purpose that transcends partisan divisions. The unique ecosystems, vulnerable coastlines, and interconnected wetlands of Pinellas require exactly this caliber of principled leadership. We are gratified to witness your campaign's prioritization of the environmental challenges that define our region.

The Pinellas County Democratic Environmental Caucus of Florida is honored to extend our formal endorsement of your campaign for Pinellas County Commissioner District 2. This endorsement reflects our conviction that your vision aligns with the urgent imperative to preserve natural heritage for generations of Pinellas County residents. Your commitment to bold, science-informed policy on environmental protection represents the standard we believe all public servants should uphold.

We are ready to collaborate with you and your team as partners in this essential work. Should you require support, expertise, or advocacy, please do not hesitate to reach out.

We look forward to the positive change your leadership will bring to Pinellas' future.

With respect and solidarity,

J Meadows
